Dear Theresa,

On behalf of the Executive Committee of Behavioral Health Nutrition, thank you for your superb presentation on the Dietitian's Role in From Addiction to Recovery, our priority session at the American Dietetic Association Food and Nutrition Conference and Exhibition 2008.

I have heard nothing but raves about the event and am sure that you will see that reflected in the evaluation summary that you will receive from ADA.

We are so appreciative that you took the time to prepare and present such needed and beneficial information. Your work and your enthusiasm for it, are great assets to the profession. We are grateful for your participation in BHN, proud to claim you as a member, and happy to recommend you as a speaker. I personally enjoyed getting to know you, and hope that our paths will continue to cross in the future.

Sincerely,

Jessica Setnick, MS, RD, CSSD
